About STEM PLUS LIMITED

An **EdTech start-up** founded by a team of passionate experienced professionals from the education, marketing and publication fields in January 2019.

Our vision:

- *Transform how people work in the EdTech industry, especially on STEM education
- *Create a sustainable ecosystem to add value to all EdTech stakeholders
- *Provide a “meeting place” for different stakeholders to exchange their supply and demand
- *Connect children, parents and teachers with quality EdTech products and Engage with entertaining learning experiences

STEM PLUS has formed partnerships with notable companies and professional education institutions including the **HKFEW** (Hong Kong Federation of Education Workers) and **SCC** (Smart City Consortium) to **Elevate overall recognition of STEM education in Asia.**
